MS Nordkapp is named after one of the highlights of the Hurtigruten voyage, the northernmost point of mainland Europe, the North Cape (71°N). Being one of our expedition ships she comes fully equipped with her own expedition team. The Scandinavian interior from 2016 is stylish, yet unpretentious and is an ideal setting for exploring the coast in an active way. The ship was built in 1996, and on board you are surrounded by artworks from the renowned Norwegian artist, Karl Erik Harr. MS Nordkapp is part of the ship class built in the 1990s and has been upgraded with junior suites and Jacuzzis. The godmother of MS Nordkapp is Norway's Queen Sonja.
